EXPERIENCE/INTERNSHIPS

Softwizz Pvt. Ltd   **Bathinda, Punjab**
Full Stack Web Development Intern   Jun-Jul 2024
Developed key features of an art gallery web application, including a booking system for reserving art pieces, exhibition listings and collections by various artists. Implemented secure user authentication and authorisation to ensure secure access to platform and optimised data management processes.

Younity.In   **Remote**
Brand Associate Intern   Feb 2023
Assisted in brand marketing and promotional strategies by interacting with clients to promote and sell products. Enhanced the brand image through effective communication, client engagement and targeted sales approaches.

PROJECTS

Art Gallery Application (React, Node.js, MongoDB, Bootstrap)
Developed a web application for an art gallery using React and MongoDB. The platform provides details on upcoming exhibitions, artists and their collections, along with an online shop for booking art pieces. It features a blog page managed by the admin and includes user authentication and authorisation to ensure secure access.
